## State Probabilites

100%

The probability of state 9 is: 0.0025787353515624974  
The probability of state 10 is: 0.0025787353515624918  
The probability of state 11 is: 0.0025787353515624974  
The probability of state 12 is: 0.0025787353515624974  
The probability of state 13 is: 0.0025787353515624944  
The probability of state 14 is: 0.002578735351562498  
The probability of state 15 is: 0.0025787353515624974  
0.99999999999999952

Calculation ended.
